TECHNICAL COLLEGE

A program of JEVS Human Services

Services to Employers—**HUMAN SERVICES**

Nothing is more crucial to business success than your ability to recruit and retain a motivated, well-prepared workforce.

Orleans Technical College can help – at **NO COST** to you!

Serving the community since 1974, Orleans Technical College—a program of JEVS Human Services—provides employees to a wide variety of companies, large and small, throughout the Delaware Valley. We teach in-demand “real world” job skills that evolve with the changing needs of employers and the workforce. Utilizing our state-of-the-art facility in Northeast Philadelphia, Orleans Tech graduates receive the most up-to-date Human Services training available from industry-experienced instructors.

What are the benefits of using Orleans Technical College for your employment needs?

- Our Career Services Department streamlines the hiring process by offering Human Services graduates who are skilled, reliable and valuable.
- An efficient and hassle-free interview process—our experienced employment specialists only send you pre-screened and pre-qualified candidates that match your job openings.
- Retention support from Orleans ensures successful employees and lower turnover rates.

What skills do Orleans Tech grads have to offer?

Orleans Tech is committed to graduating highly capable individuals who can meet the demands of their professions. Our graduates have earned a Human Services Diploma, completed an internship in the field, and are trained in such client activities as basic counseling skills, case management methods, intervention strategies and computer documentation. Our curriculum includes working with diverse at-risk populations, including those with:

**Mental Health, Developmental, and Physical Disabilities • Generational Welfare Clients
Chronically Homeless • Disadvantaged Youth • People with Drug and Alcohol Addiction
Aging • Ex-offenders • HIV/AIDS Patients • Refugee Populations**

About our Career Services Department

Orleans’ career professionals work closely with hundreds of employers throughout the region to fill their open positions in high-demand occupations. Through employer partnerships and our Program Advisory Council (PAC), Orleans is able to better equip Orleans students with what YOU, our valued employer, wants in a prospective employee. Employers and Orleans’ Career Services staff work together to implement changes to our training in order to improve the quality of Orleans job candidates.
