**Orleans**  
TECHNICAL COLLEGE

*A program of JEVS Human Services*

**Services to Employers—BUILDING TRADES**

*Nothing is more crucial to business success than your ability to recruit and retain a motivated, well-prepared workforce.*

**Orleans Technical College**  
can help — at **NO COST** to you!

Serving the community since 1974, Orleans Technical College—a program of JEVS Human Services—provides employees to a wide variety of companies, large and small, throughout the Delaware Valley. We teach in-demand “real world” job skills that evolve with the changing needs of employers and the workforce. Utilizing our state-of-the-art facility in Northeast Philadelphia, Orleans Tech graduates receive the most up-to-date Building Trades training available from industry-experienced instructors.

**What are the benefits of using Orleans Technical College for your employment needs?**

- Our Career Services Department streamlines the hiring process by offering Building Trades graduates who are skilled, reliable and valuable.
- An efficient and hassle-free interview process—our experienced employment specialists only send you pre-screened and pre-qualified candidates that match your job openings.
- Retention support from Orleans ensures successful employees and lower turnover rates.

**What skills do Orleans Tech grads have to offer?**

Orleans Tech is committed to graduating highly capable individuals who can meet the demands of their professions. Our graduates have earned a Building Trades Diploma, as well as testing opportunities for industry certifications, and are trained in a wide range of building and construction trades, including:

**Air Conditioning, Refrigeration & Heating • Building Maintenance • Carpentry  
Residential & Commercial Electricity • Plumbing & Heating • Telecommunications**

**About our Career Services Department**

Orleans’ career professionals work closely with hundreds of employers throughout the region to fill their open positions in high-demand occupations. Through employer partnerships and our Program Advisory Council (PAC), Orleans is able to better equip Orleans students with what YOU, our valued employer, wants in a prospective employee. Employers and Orleans’ Career Services staff work together to implement changes to our training in order to improve the quality of Orleans job candidates.
