What We Can Offer You

Orleans Technical College Can Recharge Your Life by Training You for a Career in Today's Competitive Trades. We Provide:

- Convenient 6-month (day) and 13-month (evening) classes
- Real-world, job-ready skills and trades diploma upon completion
- One-on-one job search assistance with Orleans Tech's employer partners across the region
- Curriculum designed in collaboration with employers to expose you to the tools, technologies and methods used in the field
- Opportunities for industry-recognized certifications that meet construction industry standards, such as OSHA-10 safety, EPA Universal 308, HILTI, and Home Builders Institute NOCTI
- Industry-experienced instructors who share their expertise, and provide guidance and resources to help launch your new career
- Compassionate staff dedicated to helping you succeed in all aspects of your education and career preparation

Our Ultimate Mission is Employment. This is the End Goal of Your Journey at Orleans Tech.

As students complete their training, each meet individually with dedicated employment specialists in our Career Services Department to research, apply and interview for job openings or apprenticeships with our employer partners. These companies turn to our school for their hiring needs of quality, knowledgeable, and skilled trades workers.

Student Life

As one of the flagship programs of JEVS Human Services—a leading organization in Greater Philadelphia dedicated to enhancing the employability of individuals—we take a holistic approach to education. Our students are not just an ID number; faculty and staff work with each individual in a more personalized manner to ensure that he/she has a meaningful experience at Orleans Tech. We encourage and celebrate student milestones and achievements.

Our Student Success Advisors Empower, Challenge and Motivate Students to:

- Overcome personal barriers and connect with community resources
- Access the support services they need, such as tutoring and professional development, and keep students on task for academic expectations and progress
- Engage in their career training program to get the full value of their education

Paying for School

We believe that tuition shouldn't stand in the way of your educational and career goals. Therefore, we work tirelessly with each potential student to help him/her assess financial aid eligibility, resources and next steps.

Our Financial Aid and Business Office Professionals Provide Students with:

- Individual personalized appointments for student financial planning
- Assistance with obtaining federal and state financial assistance, as well as scholarships and funds from third-party sources, for which he or she is eligible
- Individual and group student loan counseling to assist students in managing student loan debt

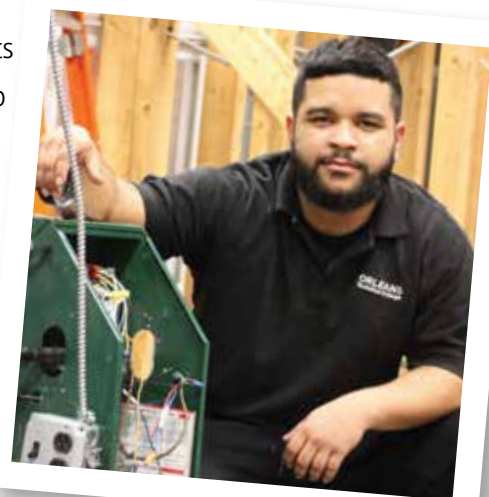

Women in Trades

Now more than ever, women are needed in the trades. Orleans Technical College encourages women to train for this non-traditional field. Our staff offers support and connections to resources to assist those who may be balancing life, school and work. Hundreds of women have graduated from Orleans Tech, are sought after by employers, and are succeeding in this growing sector of the profession.

Veterans in Trades

Recognized as a military-friendly school, Orleans Tech is committed to helping veterans “retrain,” and gain marketable skills for a new career in the civilian workforce. We are happy to welcome veterans and service members to utilize their educational benefits, such as The Post-911 GI Bill® and Montgomery GI Bill®. Our job training programs are approved by the U.S. Department of Veterans Affairs.

Upon completion of your training, Orleans’ on-site employment specialists will work with you one-on-one to help you transition into your new career path through job search assistance and access to our veteran-friendly employer partners throughout the region. We will also help you to prepare a résumé that highlights your prior military experience, as well as the practical knowledge and technical skills you gain at Orleans.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government web site at www.benefits.va.gov/gibill

Getting Started

Ready to Take the Next Step?

Our Admissions Department is eager help you* on your path to career and technical education (CTE) at Orleans Technical College.

In addition, counselors/advisors from high schools, workforce agencies and other organizations are invited to connect with our team to learn how we can meet the needs of the individuals you serve.

- STEP 1** Schedule an Admissions Appointment (www.OrleansTech.edu/appointment or text/call 215-544-3997)
- STEP 2** Complete an Admissions Application
- STEP 3** Tour our school and take our entrance test (Reading and Math)
- STEP 4** Enroll with your Admissions Representative
- STEP 5** Meet with Student Financial Services Department
- STEP 6** Follow up with your Financial Services appointment to guarantee a seat in the class
- STEP 7** Attend your scheduled Program Orientation
- STEP 8** Begin your training program

* Applicants must have a high school diploma or GED, and valid driver's license — both of which are required by many of the employer partners who hire our graduates.

Points of Pride

- Recently recognized as a **National Coalition of Certification Centers** leadership school. This nationally recognized standard for certifications and workforce development helps to enhance the credentials and marketability of our students.
- Named a 2018 “School of Distinction” from the **Accrediting Commission of Careers Schools and Colleges** by demonstrating a commitment to delivering quality educational programs to students, graduates and employers.
- Partnered with the national organization, **Associated Builders and Contractors**, to become their apprenticeship training center in Philadelphia County and facilitate merit-based training.
