Attachment A-II

- Students eligible to receive Higher Education Emergency Relief II Funds must be a U.S. citizen or national, permanent resident, or other eligible noncitizen (due to the 1996 welfare reform law—the Personal Responsibility and Work Opportunity Reconciliation Act, P.L. 104-193).
- The following logic was used to determine amounts:

EFC 0	100% of equal distribution + EFC 1 to 5500 and EFC over 5500 or did not complete FASFA adjustments
EFC 1 to 5500	95% of equal distribution
EFC over 5500 or did not complete FASFA	85% of equal distribution

- group is multiplied by the equal distribution dollar amount of \$291,475. This gives three “categories” of funds.
 - EFC 1 to 5500 - group category is reduced by 5%
 - EFC over 5500 or did not complete FASFA - group category is reduced by 15%
 - The sum of the adjustments made to EFC 1 to 5500 and EFC over 5500 or did not complete FASFA groups is added to the EFC 0 group.
- Each of the three fund categories are then divided by the number of students in each respective group to give a new weighted allocation per student depending on their particular category. These amounts were rounded up to the nearest \$0.10
- The \$291,475 grant amount for student disbursement was used to determine the per student allocation amount based on the above formula for all eligible students who requested the funds and were active in a Title IV eligible program at the time of the second school closure (November, 20 2021), or began attendance in a Title IV eligible program between 1/19/21 and 3/1/21.
