Note: The symbol [###] indicates that Orleans Technical College enrolled too few students belonging to a particular group to report on their completion and graduation rate without potentially compromising the students' identities or rights to confidentiality.

These rates do not represent the success rates of the entire student population at Orleans Technical College. For more information about the Student Right-to-Know Act and interpreting this data, please contact the Campus President.

Achievement Rates

Carpentry

Orleans Technical College is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC). This document allows Orleans Tech to comply with Section IV (C)(3), Substantive Standards, Standards of Accreditation, regarding the disclosure of student achievement rates.

The graduation rate for the 6-month Carpentry program as reported to the Accrediting Commission of Career Schools and Colleges (ACCSC) is 90%. Orleans Tech reported this rate as part of its 2023 annual report to ACCSC. The rate is based on 31 students who began their training between 07/01/2021 and 06/30/2022.

The graduate employment rate for the 6-month Carpentry program as reported to the Accrediting Commission of Career Schools and Colleges (ACCSC) is 71%. Orleans Tech reported this rate as part of its 2023 annual report to ACCSC. The rate is based on 28 graduates who began their training between 07/01/2021 and 06/30/2022.

There were no students who began training in the 8-month Carpentry program between 07/01/2021 and 06/30/2022; therefore, Orleans Technical College did not submit graduation or graduate employment data to ACCSC as part of its 2023 annual report to ACCSC.
